December 2023 Canva Templates

We now include the content we make as templates that you can edit to fit your own brand. Click on the button below labeled "Canva Templates" and you will be taken to Canva. Once there, you should be able to make a copy of the templates where you can begin to make edits. All templates without customization are available for free download on our member site. To get the most out of the templates on Canva, we recommend investing in the pro version for \$150/year for up to 5 users. If you have any issues reach out to trusted.choice@iiba.net and we will assist you.
