The number of microbreweries, craft breweries and brewpubs in the U.S. has exploded in the last decade or so, bringing a whole new level of anxiety to the Saturday morning beer run. Today there are over 2,300 breweries or brewpubs in the U.S., and each one is as unique as the one across the street.

Fortunately, our independent [insurance agents](#) are here to help you shop multiple carriers and quotes at the same time. They'll help connect you with the right coverage for your business and keep your hopped-up dreams afloat. But first, let's talk a bit more about why you need coverage and what kind you need.

Independent Insurance Agents Have More Options

Business Liability

Protects your company from the expenses, fees, and other financial losses caused by accidents and other inherent risks of doing business.

Workers' Compensation

If an employee were to injure themselves on the job or become ill as a result of the work they do, this can save your company from a significant financial burden.

Commercial Property

Reimburses you for the value of your business's property, like buildings, equipment, inventory, and even customers' personal property.

Commercial Vehicle

Covers your business's vehicles, whether that's a specialty vehicle like a catering or a delivery truck or just a regular car used for business.
